DID YOU KNOW...

...Alberta's party band, The Whiskey Boyz, are coming to Marwayne June 25 in celebration of our hall's 10th year. These 4 fellas came together in 1992 and have shared the stage with the likes of Dwight Yokam, Lover Boy, Blue Rodeo and The Headstones. They play all genres of music from the 60's, 70's, 80's, 90's and today and have national as well as international hits. Their music can be found on Spotify and iTunes.

Marwayne Ag Society—May Update

The 67th Annual Lea Park Pro Rodeo will be upon us in just over a month, June 10-12. Now I'll be honest, I'm not a rodeo fan. The Lea Park Rodeo is the only rodeo I will attend all year.

Even though I'm not a rodeo fan...

I am a fan of the most unique natural grandstand that is the hillside along the rodeo arena at Lea Park. I love seeing neighbors, friends, family and friends I haven't met come from near and far as they fill up the hill with lawn chairs, laughter and excitement.

I am a fan of burgers from Colleen's booth and fries & gravy from the Legion booth.

I am a fan of camping at Lea Park for the full event and enjoying socialization whether it be in the beer gardens or around the campfire.

I am a fan of Rodeo Clown Ricky Ticky Wanchuk as he slingshots t-shirts into the crowd or sends herds of kids running back and forth across the hillside to catch suckers flung from his broom.

I am a fan of the extremely hard-working rodeo committee and their passion for putting on the event that truly is one of the highlights of our community and surrounding area each and every year.

I am a fan of Snake Hill and the droves of people who will climb up and work their way down this unique landmark.

And even if you are a rodeo fan, well you are in luck; because the Lea Park Pro Rodeo is one of the largest pro rodeo's in all of Canada and with it comes some of the best bucking stock, the best sponsors and the best cowboys and cowgirls from across the country.

So on June 10-12 if you're not a rodeo fan (and if even if you are) you will be missing out if you aren't soaking up the sunshine on the hillside or savoring a cold Budweiser in the beer gardens at Lea Park!

We'll see you all there: ten miles north of Marwayne where the North Saskatchewan River and the Old Vermilion meet.

**Treasure
Hunt**

Saturday, May 14th

MARWAYNE SPRING CLEANUP

Treasure Hunt will be Saturday May 14th, 2022 for one day only

How it works:

Treasure Hunt is for reusable items! The stuff you know is still good but you don't want anymore. The treasure hunt is your opportunity to recycle appliances, furniture and other large items that can be re-used by someone else.

- Put your treasures on your FRONT Boulevard on **May 14th**
- Residents are encouraged to tour around town looking for treasures to take home and the best part is they are free!
- Some acceptable items are: fridges, stoves, freezers, furniture, sinks, dishwashers, snow blowers, lawnmowers, patio furniture, barbecues, windows, bikes.... (If they are not in working order, please put a sign on item)

Do NOT put regular garbage, renovation materials, or your yard clean up bags as these will not be picked up. Additional information can be found at <https://www.vermilion-river.com/living-here/waste-transfer-sites.html>

If big items are not picked up, Public Works staff will come around on **Monday, May 16th** to assess what needs to be hauled to the dump. To save time and money, the Public Works department will only assess and pick up off a street ONCE so be sure to have your items out by 8am May 16th.

REMEMBER we WILL NOT pick up anything that can be placed in your large waste bins. This is ONLY for **Big Items**. Some items that will not be picked up by the Village are: Shingles, Gyp Roc, cement/concrete, car parts or motors of any kind, animal waste...

Please note during this week your items may be left on your boulevard for a few days while the Public Works Department is clearing other places in town.

Transfer Station Hours: Wednesday 2pm-7pm & Saturday 10am-2pm.

A Pastor's Gleanings

A sign on the wall in Larry's Diner reads "Prayer, free wireless access." It is true, the access is instant with unlimited bandwidth, infinite storage, discovery, adventure, and more love and grace than we can imagine. The memory seems to have a quirk though. Sins repented of and confessed are completely wiped clean and are no longer recorded, gone as far as the east is from the west; forgiven and forgotten forever!

"He has removed our sins as far from us as the east is from the west." Psalm 103:12 "and the Lord has laid on him (Jesus) the iniquity of us all." Isaiah 53:6b and He says "Come to me, all who labour and are heavy laden, and I will give you rest ..." Matthew 11:28

MOTHER

May is the month we recognize mothers. What are all the emotions and memories the word Mother evokes? Are all thoughts of Mother positive? If one should say NO does that cause feelings of guilt, when we think of how we should feel. Do we stuff feelings or hide real emotions?

There will be memories to share but there will be pain to be felt upon thinking of Mother and Mother's Day.

For the Mother who has experienced the death of a child, whether prior to birth or in their senior years the pain or loss remains and both are often overlooked in their loss and painful memory journey.

For the mother who experiences the "death of a dream" of being a parent and are often overlooked, as well, and they are expected to carry on with no sense of sadness and anger at their loss.

For the child who has experienced the death of a mother when they are very young to the adult child who feels very much like the small child, abandoned and needing that nurturing person in their lives.

For the child or adult child who has experienced the death of a Grandma, who was filling the role of mother and grandmother, that child experiences a double loss, of both Grandparent and Mother.

For some the loss of mother will not cause feelings of sadness but rather pain, anger, guilt and blame as they remember abuse, neglect, fear, abandonment and physical and emotional neglect. They will also experience the death of a dream of what their mother could have been.

It is a good time to remember Mother, to recognize and address the emotions that surround the name Mother, and recognize that each person is on a unique journey, just as each person's relationship with their mother was unique.

What can be done with all the emotions that death loss and dream loss evoke? The anger, guilt, blame and sometimes shame that is carried. Sometimes these emotions are carried for many years dragging a person down and causing not only physical illnesses but mental anguish.

This year could we give ourselves permission to accept the emotions and feelings and embrace our grief loss and pain, as being a normal part of grief and find forgiveness for our selves, firstly and then work toward finding forgiveness of those who have contributed to our dream loss. Can we look for safe people and places to share the memory of that pain experience and in so doing begin self acceptance and begin the journey toward healing? Finding gratitude in our hearts for the mother's who have been our life line and forgiveness and gratitude for the mothers' who were not all we envisioned them to be.

Seek out the support you need not only now but when emotions are weighing heavy on you. A counsellor, trusted friend, or a support group, such as Walking Through Grief Society, to begin your healing journey.
