By signing this form, I am hereby agreeing to maintaining a 5 x 5 plot within the Village of Marwayne Community Garden. I understand that having a plot at the community garden is optional and that I am responsible for all maintenance, weeding, upkeep, planting and watering, as the case may be, for my respective plot. I agree to remove all plants, vegetables, flowers, etc. at year end so that the garden may be rototilled and prepared for the following year.

I enclose the required fee of \$50.00 for use of a plot at the community garden. I hereby understand that the Village will return my \$50.00 fee should there not be a minimum of twelve (12) persons participating in this pilot program.

I am aware that the community garden will be located to the west of 6th Street North in the undeveloped parcel of land, adjacent to the northern walking trails. Further, I understand that it is strictly prohibited to grow any illegal substances, as well as legal substances, such as cannabis, in the community garden. I am fully aware that I am only permitted to grow fruits, vegetables, flowers, and herbs.
